Satisfied

Nil

1) Use better graphics and visual media to engage students well.

2) Try to reach every student and ask for their doubts.

3) Make teaching a two way interaction.

Neutral

Teaching is good , no suggestions

Very well

Excellent

Very good

-

Davinder Kumar

No suggestions

Overall good

It is satisfactory

All is perfect

Gourav

Need more practical questions

fully satisfied

Use projectors, Give assignments, Provide Notes

Very supportive teacher's

Everything's good

1. Start Hand-on practicals

2. Improve the quality of teaching

3. Gave information to the students about future opportunities.

More practical teaching then just focusing on theories

Overall is good

Class Test should be conducted .

What i feel is faculty is excellent in lyallpur khalsa college I don't think they need any suggestion . I am happy to be part of this college where teachers guide students like their own children

Abc

Idk

There should be house test held to improve our performance

- 1.Use better graphics and visual media to engage students well.**
- 2.Try to reach every student and ask for their doubts. ...**
- 3.Make teaching a two way interaction.**

Need More project work

Need More practical work

1.More project work

2.More Practical Work

More project work

More Practical work

Teachers has to give us complete about the concepts . Too slow in completing syllabus.

Not at all

Overall teaching-learning process is excellent

Explain clearly concept

More voice

Proper timing

Teachers should be focused more on practical aspects of topics. Teachers should be provided notes and then explain every single information related to it. Moreover, the Teachers should organize field trips for advance learning.

Everything already good

I have no suggestions to improve overall teaching because everything is perfectly fine.

Should provide more practical information to the students

Do more practical

Answer

1) Use better graphics and visual media to engage students well. Better graphics and colors arouse the interest and desire to learn among students. ...

2) Try to reach every student and ask for their doubts. ...

3) Make teaching a two way interaction.

1. Consistency

2.

things must be done more practically rather than theoretically

Everything is fine.

Communication with students

Take quiz for better understanding

With projector use board to teach as well

To promote practical work

Extra skill work

Take tests

Use projector while teaching in the class

•Best examples related to the subject

•give Proper guidance to the student About Assignments and their exams

• Teachers should use more technology such as LCD projectors And multimedia

Classes furniture modify and new furniture into the old Classes

E-learning should be promoted

The students should be restricted to bunk the classes

The extra time should be there for taking doubts

Friendly Environment, Highly Skilled teaching staff, greenry in campus.

...

Not any

Practical work

Teaching learning process is very good

well following the time to time period

Teaching method is superb they clear all doubts very wisely and describe topic with the help

of suitable example

1. Practical examples related to industries should be given.
2. Future should be visualised by the teachers and then give understanding to the students for the betterment of the students.

Please upgrade the education system, bcz 'vohi purani pdhai chal rahi hai, duniya change ho rahi hai har din but education doesn't change, i think ki education must be based on entrepreneurship ,ki bache taiyaar ho ske apne dam par kuj krne ka, nahi toh govt. ek limited situation tak hi help kar skti hai na logo ko job dene ki, rest of the people kiya kre geh?'

So don't be prepare the students only for job, prepare the students as well as for entrepreneurship 😊

thank you

ICT tools may not be highly used by teachers.

Hardwork,dedication

Conduct learning activities in the classroom with the help of technology or any materials

All about is very good

1= Responsible teacher

More passionate

They must focus on practical knowledge.

They must organized student exchange programs and internship.

The teachers in our college are well qualified and there teaching techniques are very good .

the teacher should teach the theory subjects with practical example with this students will be attend lecture with more interest

for doing C in Practically way like errors etc

Already improved

Every Teachers'are good no neend for improvement 👍👍👍
