Action Taken on Consolidated Feedback (2018-19)

It was decided to convey to the affiliating university to:

.Review the course contents of different programmes in terms of their updated nature as through the teacher members of the curriculum designing bodies.

- Suggest relevant changes in the curriculum according to the feedback received.
- To curtail the syllabi where they were found to be too lengthy to be covered entirely in the stipulated period.

It was decided to convey to the College Administration to:

- Procure needed resource materials in the library
- To arrange extra classes for the students finding the course contents difficult to understand
- To ask teachers to speed up their course content delivery wherever the syllabus was lengthy
- To procure resource material in library wherever Upon the suggestions of students, students' parking was repaired. Hostel inmates' suggestions regarding maintaining cleanliness register was accepted.
- Following the suggestions of the alumni it was decided to introduce online feedback system
